Invitation

1st International Symposium

Endocrine Nuclear Medicine and Molecular Imaging

**Theranostic nuclear medicine of differentiated
thyroid cancer**

Friday, 29th September 2017

Regional Hospital of Lugano, Civico, Aula Magna

From 14h25 to 18h00

Dear Colleagues,

it is a great pleasure to invite you to the **1st Lugano International Symposium** on *Endocrine molecular imaging and theranostics* organized by our centre under the auspices of the Swiss Society of Nuclear Medicine - Molecular imaging and therapy.

Considering the ongoing discussions about the newly released clinical guidelines the symposium is dedicated to thyroid cancer with emphasis on the role of molecular imaging and radioiodine theranostics in managing our patients.

Thanks to internationally renowned speakers who have accepted our invitation I'm sure the meeting will be full of interesting news and interactive discussion covering all aspects molecular imaging and theranostics of thyroid cancer.

I hope that the meeting will be up to your expectations and welcome you on the shores of Lake Lugano!

Prof. Dr. med. Luca Giovanella

A special thanks to

Programme

- 14h25 **Welcome and introduction**
Prof. Dr. med. Luca Giovannella
(Bellinzona/Lugano, SUI)
- 14h30 **Thyroid scintigraphy and positron imaging
in nodular diseases**
Dott. Arnaldo Piccardo (Genova, ITA)
- 15h10 **Radioiodine ablation in low to
intermediate risk DTC**
Prof. Dr. med. Markus Luster (Marburg, GER)
- 15h50 **Coffee break**
- 16h30 **Radioiodine therapy in high-risk and
recurrent DTC**
Prof. Dr. med. Frederik A. Verburg
(Marburg, GER)
- 17h10 **FDG-PET/CT: current indications and
perspectives in DTC patients**
Dr. med. Giorgio Treglia
(Bellinzona/Lugano, SUI)
- 17h50 **Conclusions**
- 18h00 **Aperitif**

Speakers

Prof. Dr. med. Luca Giovanella, Head Physician – Nuclear Medicine and PET/CT Centre and Director – Competence Centre for Thyroid Diseases of the Oncology Institute of Southern Switzerland

Dott. Arnaldo Piccardo, Dirigente medico, Ente Ospedaliero Ospedali Galliera, Genova ITA

Prof. Dr. med. Markus Luster, Direktor Klinik für Nuklearmedizin, Universitätsklinikum Marburg, Marburg GER

Prof. Dr. med. Frederik A. Verburg, Facharzt Klinik für Nuklearmedizin, Universitätsklinikum Marburg, Marburg GER

Dr. med. Giorgio Treglia, Consultant Nuclear Medicine and PET/CT Centre, Oncology Institute of Southern Switzerland

Credits

SGNM/SSMN	Requested
Endocrinology	Requested
Oncology	Requested
Radiotherapy	Requested

Registration deadline: 15th September 2017

Please confirm your attendance to:
